ANNOUNCING

Asthma School Nursing Award

community leaders helping children breathe better

5th Annual

The Missouri Department of Health and Senior Services announces a funding opportunity for 30 Missouri school nurses who lead an asthma care improvement project during the summer of 2010. Award recipients may choose to:

- Train sport coaches on asthma management basics,
- Meet with parents to prepare asthma action plans,
- Develop asthma care recommendations for school officials,
- Provide indoor environment assessments,
- Evaluate new health literacy materials, or
- Implement a custom project

Applications accepted until **May 10, 2010.**

Visit www.asthmahere.org for easy application materials.
